

DEVELOPING USER FEES FOR APHIS SERVICES

1. PURPOSE

This Directive establishes policy, delegations of authority, and responsibilities for developing, approving, and implementing user fees for APHIS services. Fees, as used in this Directive, refer to the fees charged for agricultural quarantine inspection, plant inspection, animal import and export, veterinary diagnostics, reimbursable overtime, administrative support services, and other fees as prescribed by statute or other authority. The APHIS Budget and Accounting Manual, Chapter 15 - Cost Identification and Recovery, contains APHIS' policy determining amounts to be charged. In all cases, APHIS will follow the Executive Office of the President's Office of Management and Budget (OMB) Circular A-25, User Charges, and USDA Department Regulation 2100-3, OCFO Biennial Review of Charges for Things of Value, Appendix A, USDA Definition of Full Cost, dated 9/1/00, to determine and assess fees that provide full-cost recovery for our services.

2. REPLACEMENT HIGHLIGHTS

This Directive replaces APHIS Directive 2150.1, dated 9/1/00. This revision includes authority APHIS received for charging user fees in the Food, Agriculture, Conservation, and Trade Act (FACT Act) of 1990, as amended by the Federal Agriculture Improvement and Reform Act of 1996, and the Animal Health Protection Act of 2002.

3. AUTHORITIES

Authority to establish fees is contained in 5 U.S.C. 5542; 7 U.S.C. 1622, 2260, and 7759; 21 U.S.C. 102-105, 111, 114, 114a, 134a, 134c, 134d, 134f, 136, and 136a; and 31 U.S.C. 9701. The affected program activities and the implementation regulations are as follows: agricultural quarantine and inspection services, 7 CFR 354; phytosanitary certificates, 7 CFR 354.3; reimbursable overtime, 7 CFR 354.1 and 9 CFR 97.1; animal import/export, 9 CFR 93 and 9 CFR 130; and veterinary diagnostics, 9 CFR 130.

4. POLICY

It is APHIS policy to establish fees at levels that will recover, to the fullest extent possible, all costs from providing the requested services. Fees will be reviewed at least biennially to ensure proper cost recovery of APHIS user fee program costs.
